

Recycling

RDA Bulk Packaging Ltd has been supplying the Recycling sector with FIBCs (Bulk Bags) for over 22 years

Welcome to RDA Bulk Packaging Ltd

We are a privately owned company that has been supplying FIBC's (Flexible Intermediate Bulk Containers - commonly known as Bulk Bags) to the Recycling sector for over 22 years.

Bulk Bags can be used for the transportation of the following products:

- Household recycling
- Green waste
- Non-ferrous metals
- Plastics
- Paper & Cardboard
- Rubber
- Textiles and many more...

After over 2 years of development work and testing with our factories we are pleased to be able to offer a range of bulk bags which have a 30% recycled content by weight. These bags are manufactured, tested, meet the requirements of ISO and are compliant with the UK Plastic Packaging Tax. Request a quote today.

RDA offers a number of off-the-shelf stock options for immediate delivery.

Due to their versatility bulk bags are commonly used across the Recycling sector. They can be used to transport recycling material in its original form or once it has been reprocessed.

All our bags are 100% recyclable
