RDA Bulk Packaging has been supplying the
Chemical sector with FIBCs (Bulk Bags) Since 1999

Welcome to RDA Bulk Packaging

We are a privately owned company that has been supplying FIBC's (Bulk Bags) to the Chemical sector Since 1999.

Bulk Bags can be used for the transportation of the following products:

- Pigments
- Resins
- Powders
- Granulates
- Fertilisers and many more

After over 2 years of development work and testing with our factories we are pleased to be able to offer certain bulk bags which have a 40% recycled content and therefore compliant with the UK Plastic Packaging Tax – Request a quote today.

RDA can manufacture to your bespoke FIBC (bulk bag) needs. Call us today to discuss your requirements.

RDA understands the importance of the correct packaging in the Chemical industry. FIBC's are customisable and versatile making them a great solution to keep product contained and meet industry requirements.
